

A round wooden table with a black metal base is positioned on a floor covered in a mosaic of white and black tiles. The mosaic features a repeating geometric pattern of stars and lines. Several pink cherry blossoms are scattered on the table's surface. The text "PAUL SCHATZ" and "NEW RAVENNA®" is overlaid on the right side of the image.

PAUL SCHATZ

NEW RAVENNA®

Paul Schatz for New Ravenna

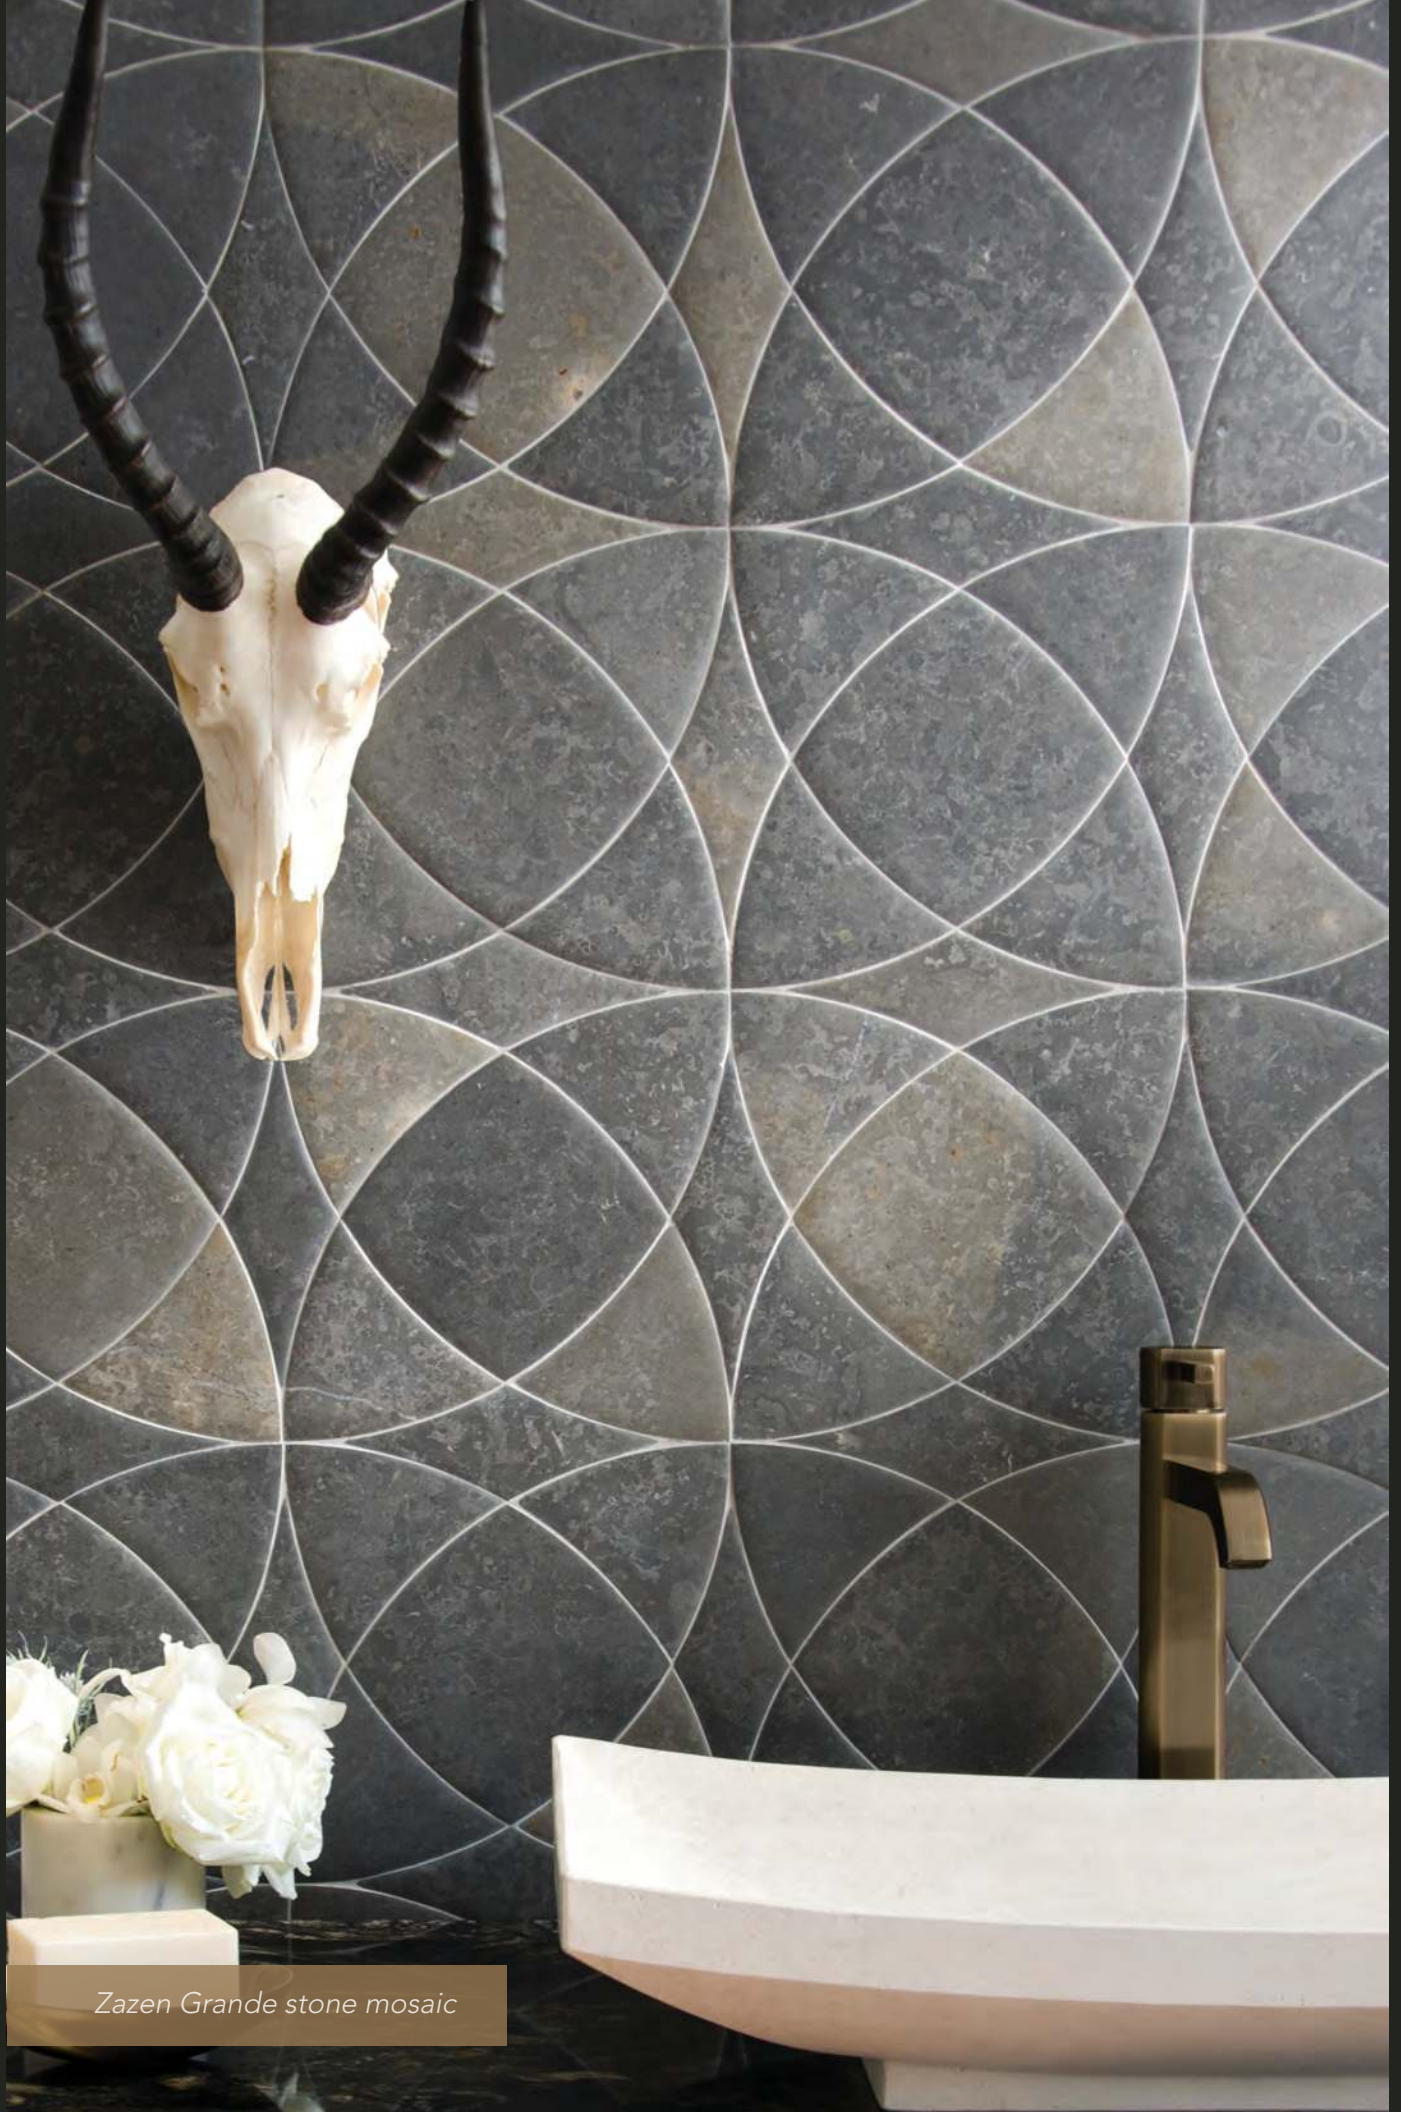

The Miraflores Collection and the opportunity to collaborate with New Ravenna's creative team is truly an honor. While entering the later years in my career as a designer and interior architect, I have been luckily absorbed with working on new designs with best-in-class materials and craftsmanship. When Sara invited me to collaborate with her brand, I was honored, humbled, and - I must admit - a bit intimidated! Through the creativity of the New Ravenna team and of the quality of showrooms that support architects and designers in representing and distributing New Ravenna's designs, the past three years have been a great success for the Miraflores Collection. I am enormously thankful to Sara and everyone who has been supportive in this endeavor. Please enjoy this book as a summation to date of my designs created for New Ravenna and captured so beautifully by their photography team.

My fondest regards,

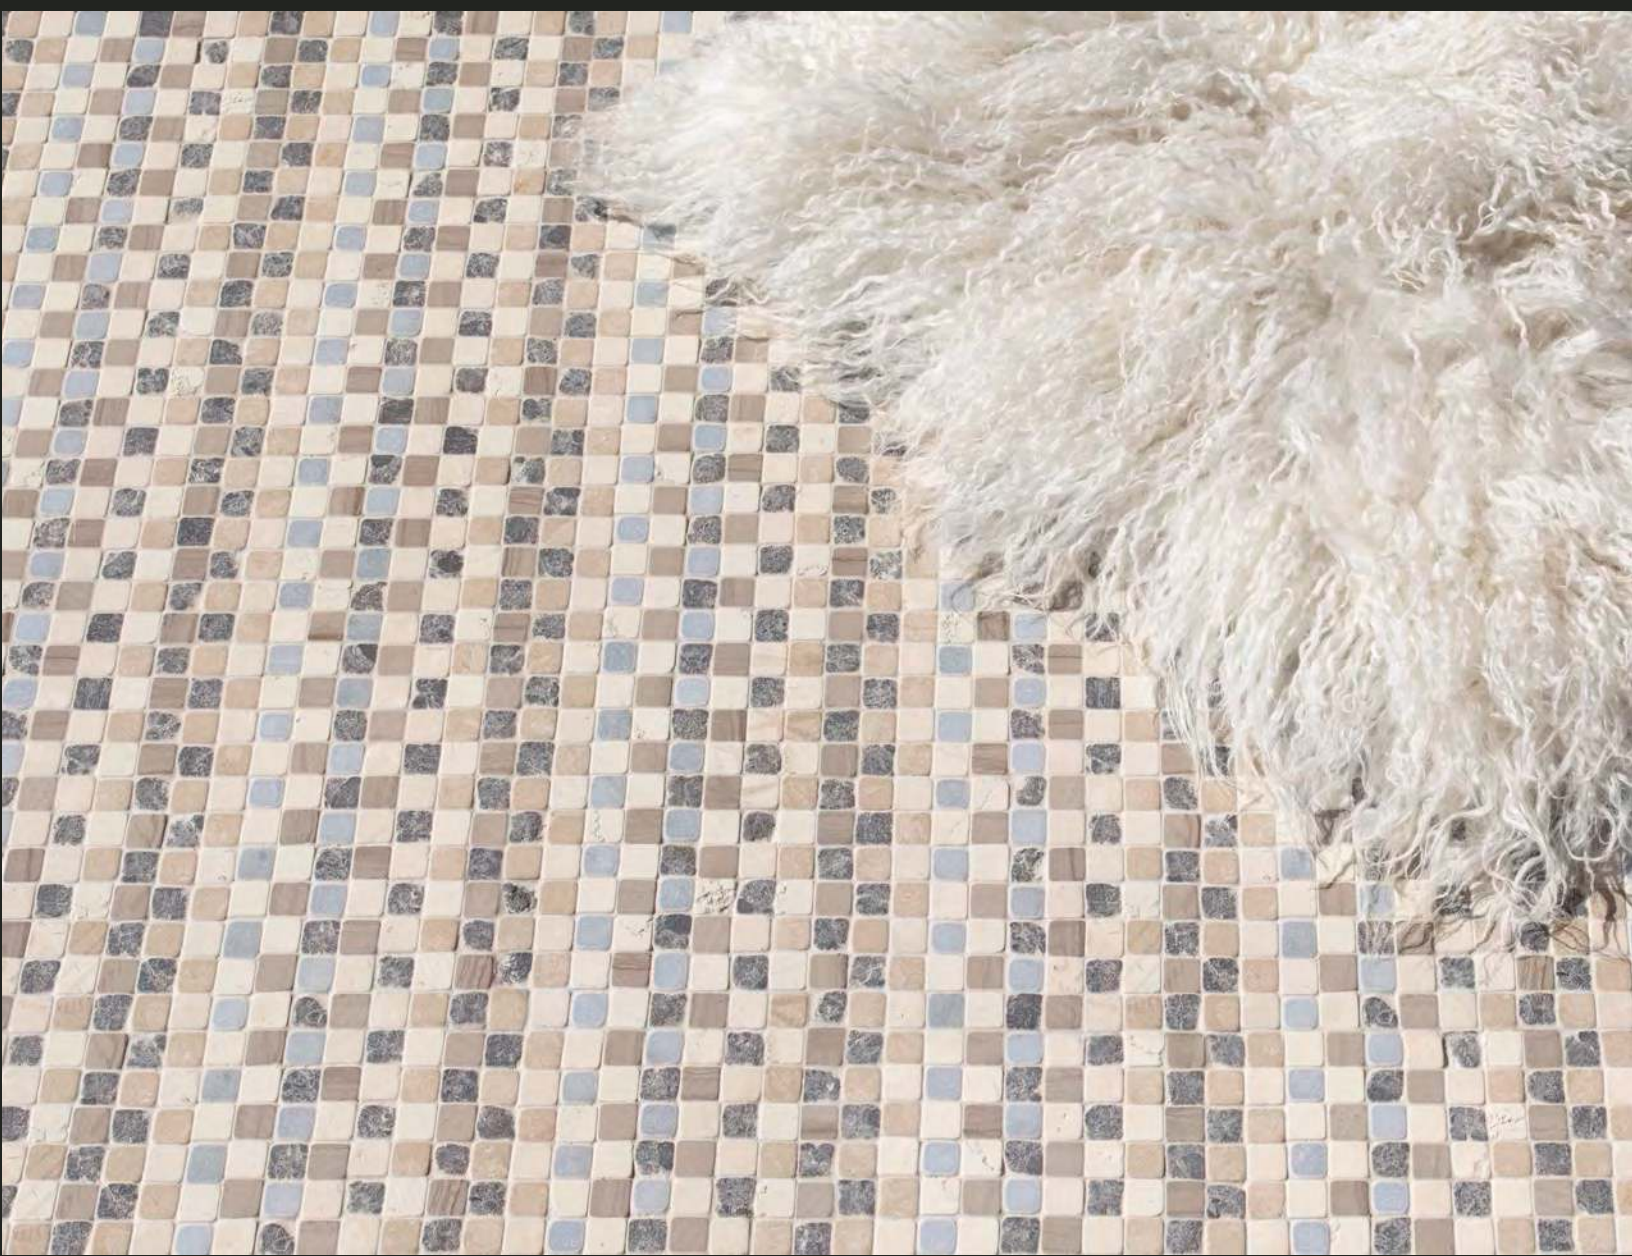

A handwritten signature in white ink that reads "Paul Schatz". The script is fluid and cursive, with a long, sweeping underline that extends to the right.
